Your disenrollment from Express Scripts Medicare (PDP) for Nutrien will be effective 01/01/2022. As of 01/01/2022, Express Scripts Medicare (PDP) for Nutrien will not cover your prescription drugs.

This letter applies only to your Express Scripts Medicare (PDP) for Nutrien prescription drug benefits.

questions or for more information.

Please remember, if you do not have or get other coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) within 63 days of your disenrollment from Express Scripts Medicare (PDP) for Nutrien, you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

Medicare enrollment/disenrollment guidelines

Generally, you can only enroll in and disenroll from a Medicare prescription drug plan between October 15 and December 7 of each year. However, Medicare allows for special exception periods under certain circumstances. Because your coverage from your former employer or retiree group is ending effective 01/01/2022, you may be eligible to enroll in an individual Medicare prescription drug plan not sponsored by Nutrien (for former PotashCorp retirees & eligible dependents). You will have a Special Enrollment Period (lasting up to 2 months from when your coverage with Nutrien (for former PotashCorp retirees & eligible dependents) ends) during which you can enroll in another Medicare prescription drug plan. You can contact a new plan directly for more information on your plan options, coverage and corresponding costs.

What is Extra Help?

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for up to seventy-five (75) percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles and coinsurance. Additionally, those who qualify will not be subject to a late enrollment penalty. Many people are eligible for these savings and do not even know it. For more information about this Extra Help, contact your local Social Security office or call 1.800.MEDICARE (1.800.633.4227), 24 hours per day, 7 days per week. TTY users should call 1.877.486.2048.

If you think there has been a mistake, or if you have any questions, please contact your group benefits administrator.

Thank you.
